

RESIDENTIAL ARCHITECTURE IN CROATIA 2000–2004.

EXIBITION IN LJUBLJANA

Exhibition called **Croatian Residential Architecture 2000 – 2004** was opened on **24th of January 2005** in gallery **DESSA** in **Ljubljana, Slovenia**.

The exhibition has been organized by Department of Architects of Croatian Chamber of Architects and Engineers in cooperation with Croatian Architects Association, Zbornica za arhitekturo in prostor Slovenije and gallery DESSA. Ambassador of Croatia in Slovenia, Mario Nobile, together with Zlatko Hanžek, president of Department of Architects, and Andrey Hrausky, manager of gallery DESSA, has opened the exhibition.

The same day, at the Architectural College, prof. Mladen Jošić held presentation on residential architecture in Croatia over the last few years that has arrived as a result of a special Program of Subsidized Housing Construction (POS).
